FABLAB**

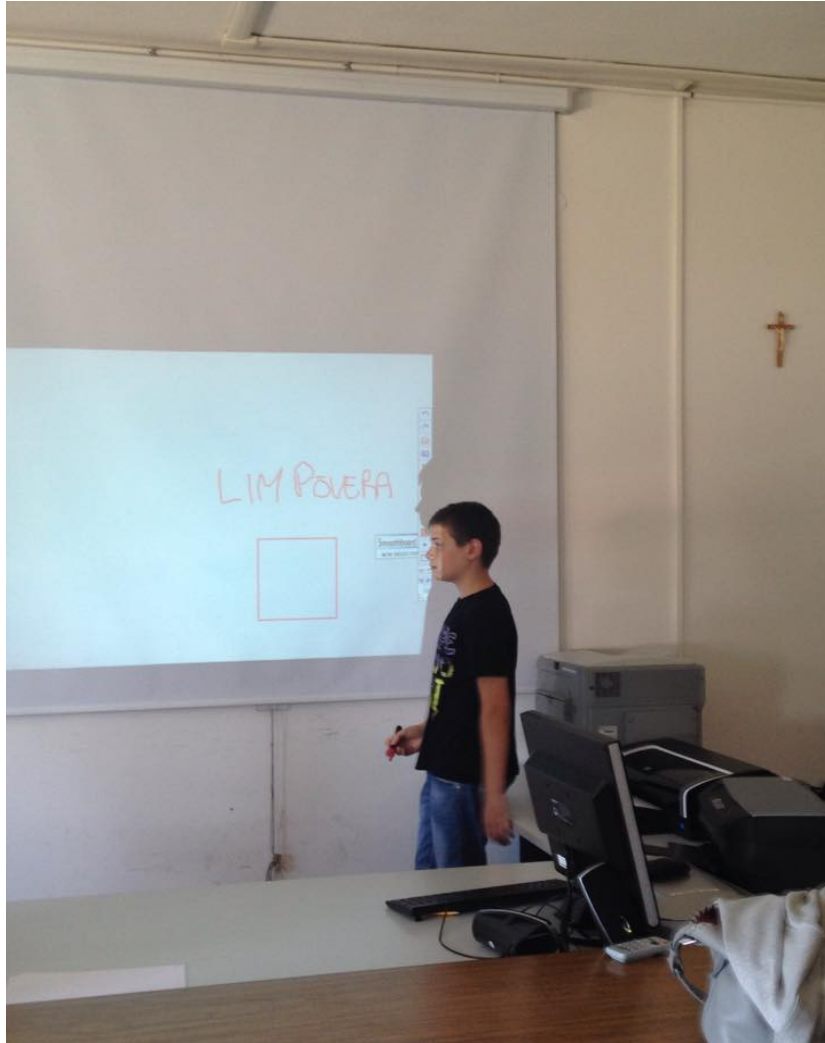

FabLab ...

Prologo: LIM *low cost*

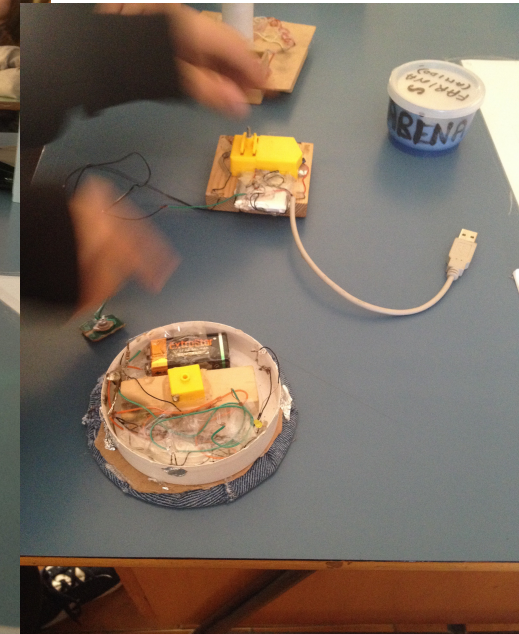

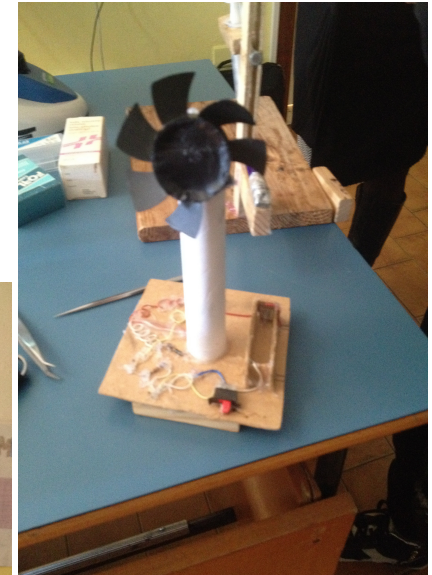

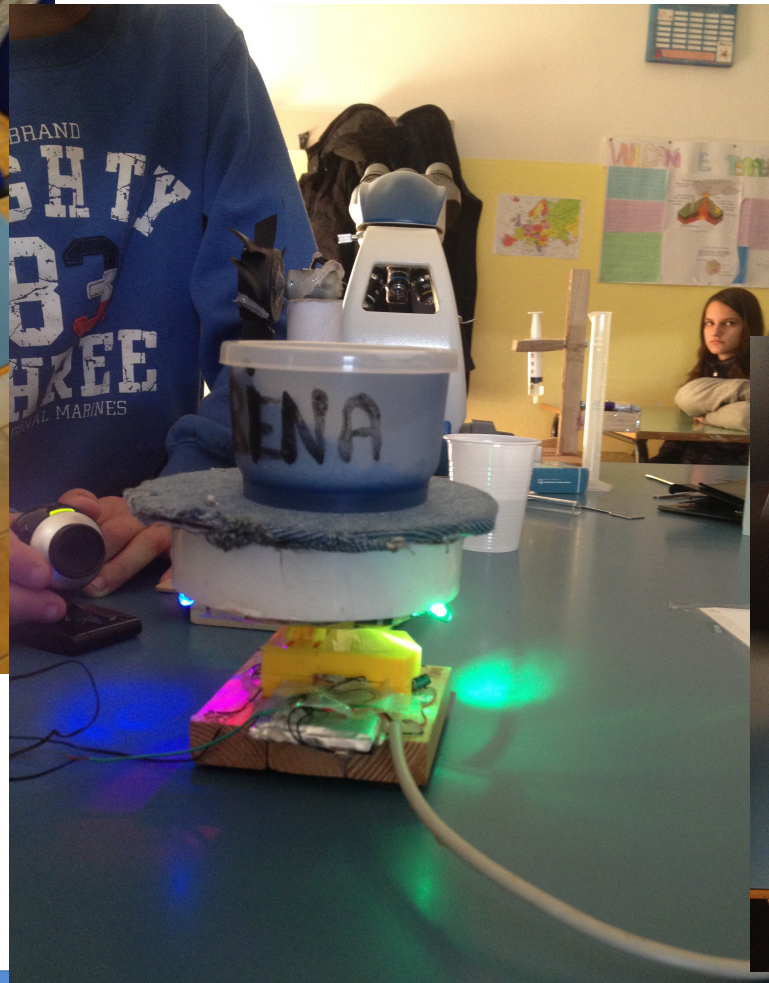

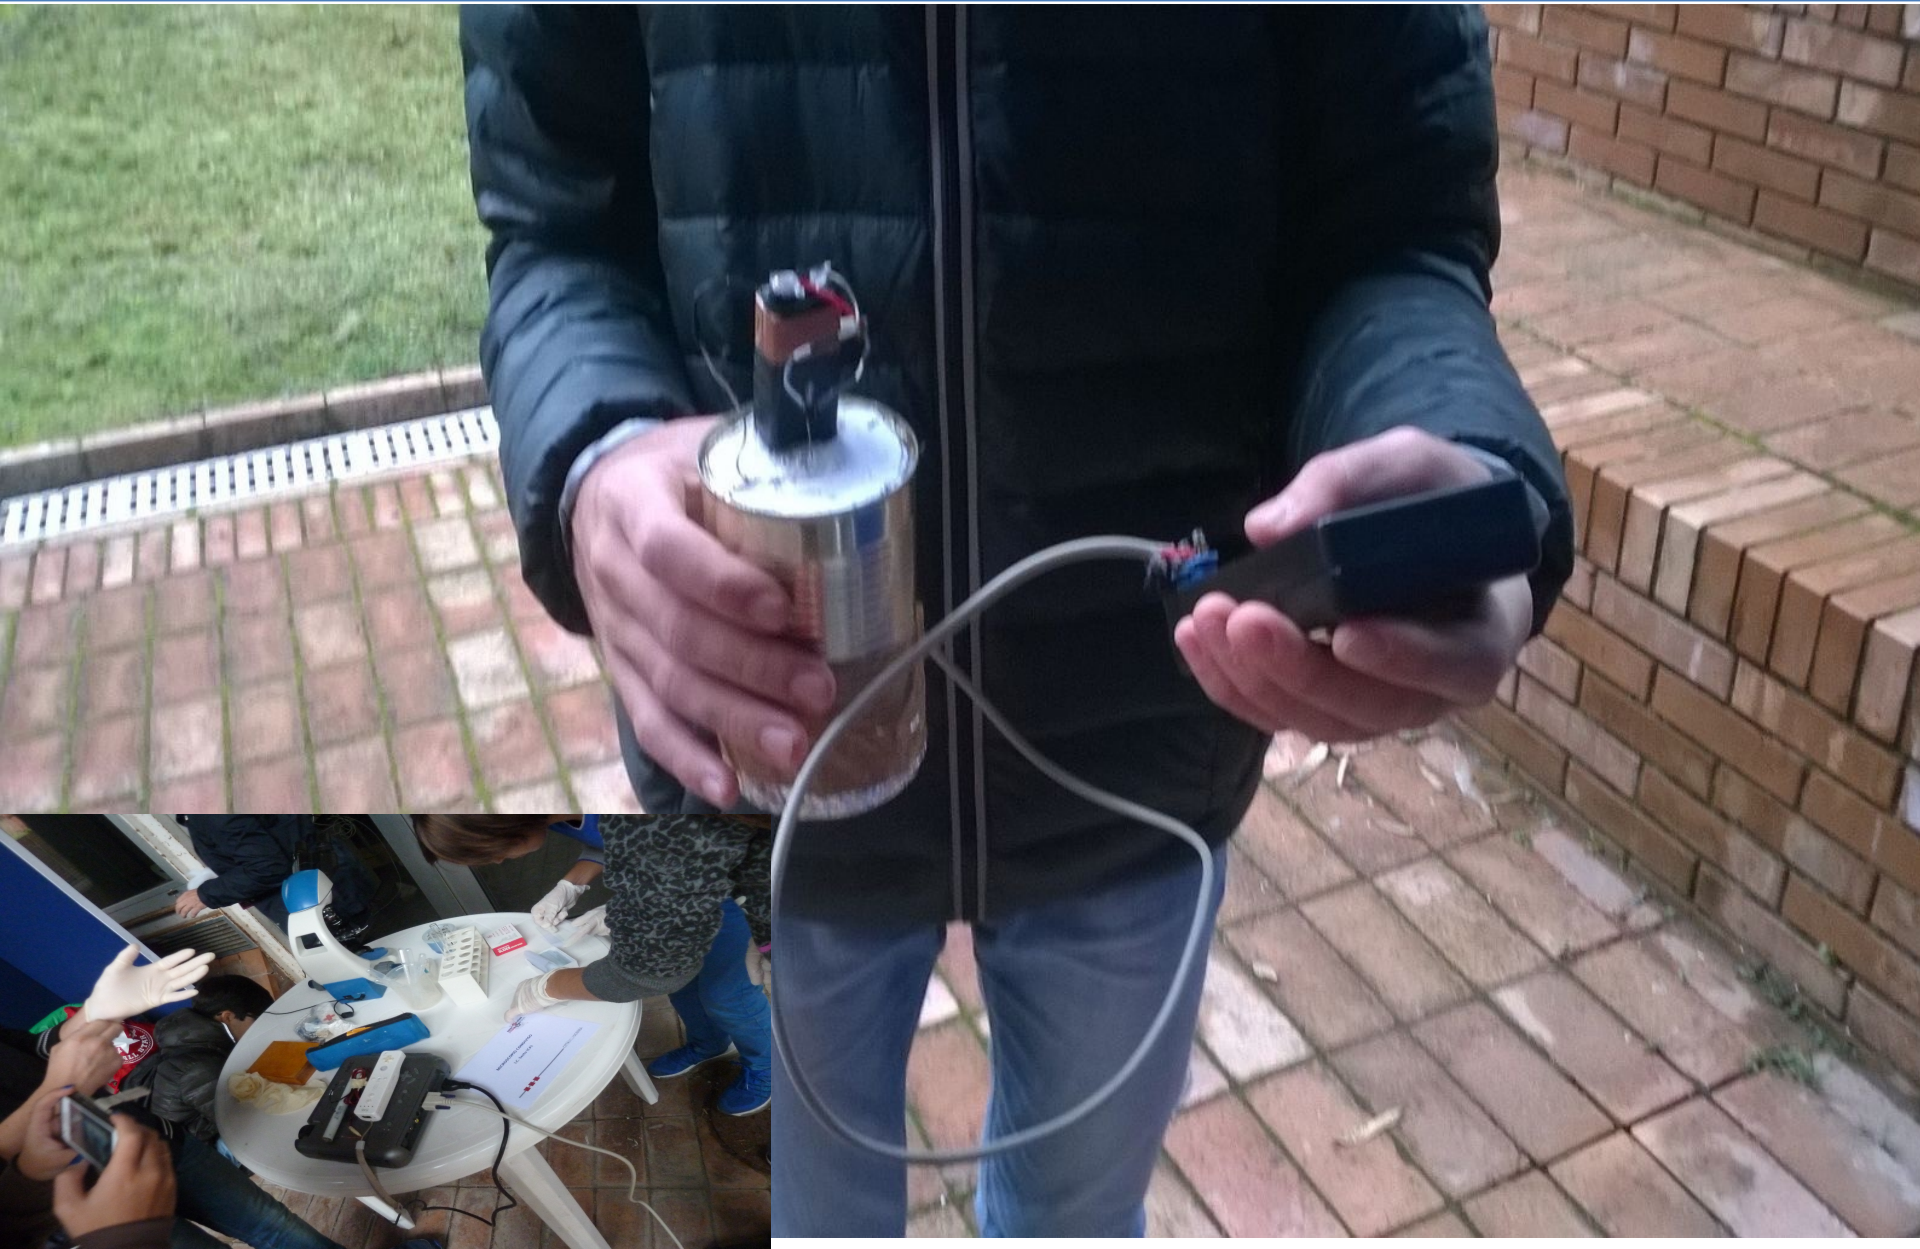

E come le ciliegie ...

Learning by doing

- Protagonisti i ragazzi
 - Imparare facendo
- Sviluppare abilità extra-curricolo
(che però rinforzano il curricolo)
- Potenziare competenze dei *nativi digitali*
- Realizzare prodotti con l'ausilio *del digital making*

Competenze chiave EU

Ossimoro scuola: *preparare nuove generazioni al futuro ed essere indietro rispetto al presente*

Per fallire in
qualcosa
bisogna
iniziare
a farla

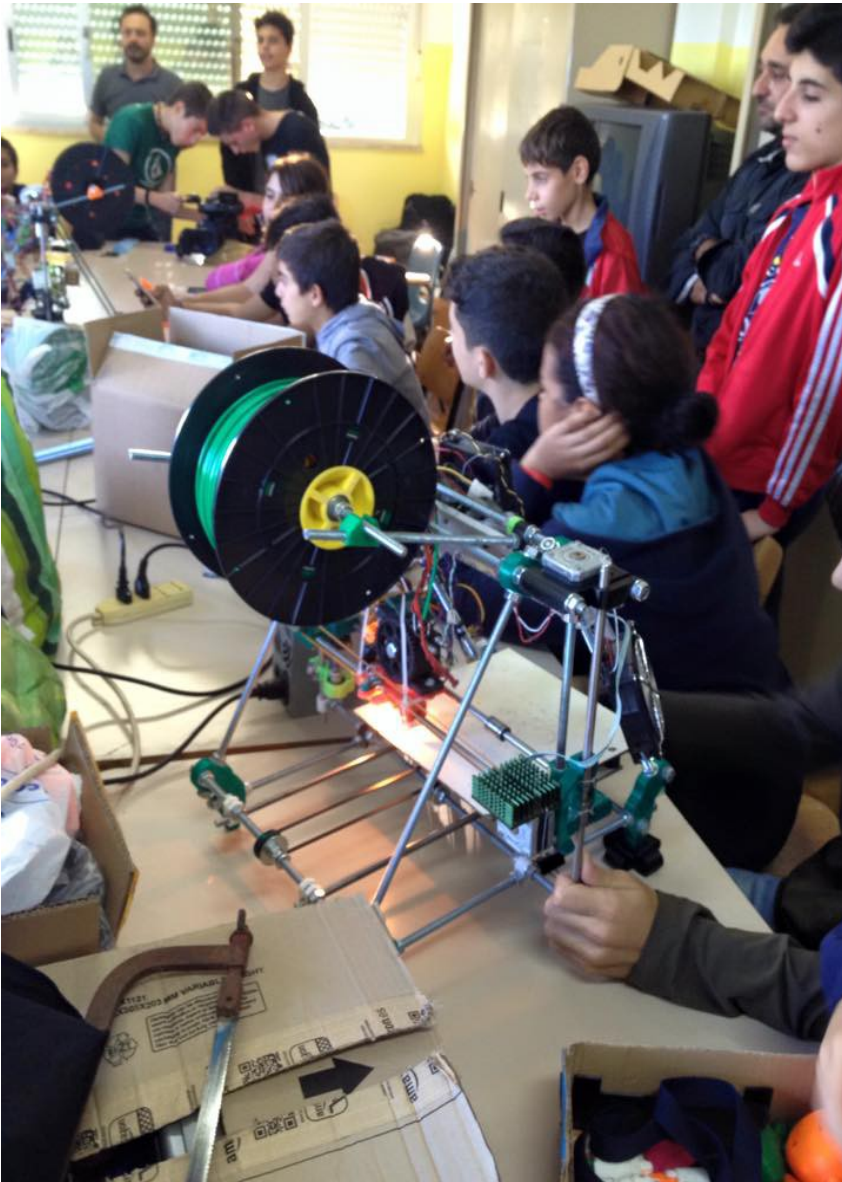

Epilogo:

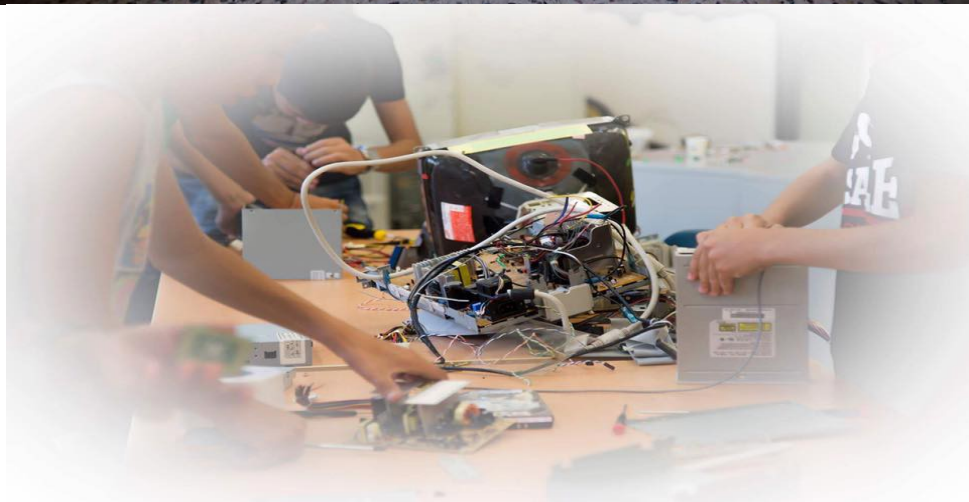

Il primo FabLab non si scorda mai

Problema: allontanare i ragazzi da scuola....
